## Washington is Earthquake Country!

*Washington has the 2<sup>nd</sup> highest  
Earthquake risk in the United States*

Register to participate in the Great Washington ShakeOut to practice your earthquake and tsunami safety at [www.ShakeOut.org/Washington](http://www.ShakeOut.org/Washington)

You can be more prepared for earthquakes and other hazards in 3 easy steps:

### **Learn your Hazards:**

*Earthquakes and many other hazards can happen in Washington including severe weather, tsunamis, flooding, civil unrest, volcanic eruptions, and more.*

### **Make Plans:**

*With your family, and at work or school, decide on local and distant meeting locations. Choose an out-of-area contact who can relay messages in an emergency. Make sure you're signed up for multiple ways to receive emergency alerts.*

### **Build Kits:**

*Be 2 weeks ready! Have 2 weeks of supplies at home and smaller kits in your vehicle and at work/school. Everyone needs a go-bag, including pets!*
